IN THE SENATE OF THE UNITED STATES

SEPTEMBER 16, 2010

Mr. BAYH introduced the following bill; which was read twice and referred to the Committee on Health, Education, Labor, and Pensions

A BILL

To establish community health improvement councils and State health improvement technical assistance center grants.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Community Health Im-
5 provement Councils Act of 2010”.

1 **SEC. 2. COMMUNITY HEALTH IMPROVEMENT COUNCILS**
 2 **AND STATE HEALTH IMPROVEMENT TECH-**
 3 **NICAL ASSISTANCE CENTER GRANTS.**

4 Part P of title III of the Public Health Service Act
 5 (42 U.S.C. 280g et seq.) is amended by adding at the end
 6 the following:

7 **“SEC. 399V-5. COMMUNITY HEALTH IMPROVEMENT COUN-**
 8 **CILS AND STATE HEALTH IMPROVEMENT**
 9 **TECHNICAL ASSISTANCE CENTER GRANTS.**

10 “(a) IN GENERAL.—The Secretary shall establish a
 11 program for the creation of State Health Improvement
 12 Technical Assistance Centers and Community Health Im-
 13 provement Councils.

14 “(b) STATE HEALTH IMPROVEMENT TECHNICAL AS-
 15 SISTANCE CENTER GRANT PROGRAM.—

16 “(1) IN GENERAL.—The Secretary shall award
 17 grants, on a competitive basis, to 5 eligible entities
 18 for the purpose of establishing State Health Im-
 19 provement Technical Assistance Centers designed
 20 to—

21 “(A) improve individual and community
 22 health status, especially in communities and re-
 23 gions with poor health status performance;

24 “(B) slow annual growth in health care
 25 utilization and medical spending;

1 “(C) coordinate best practices among net-
 2 works of local coalitions that result in acceler-
 3 ated locally driven issue identification and cre-
 4 ative ways to align improvement efforts with
 5 payment reforms;

6 “(D) partner with the Agency for
 7 Healthcare Research and Quality to design and
 8 produce the annual report of such agency on
 9 health care quality;

10 “(E) serve as a resource to communities to
 11 provide assistance in identifying reliable na-
 12 tional resources and research tools to promote
 13 health, improve health literacy, and accelerate
 14 the diffusion of innovations to improve health
 15 outcomes;

16 “(F) partner with organizations to design
 17 and implement locally driven payment innova-
 18 tions to improve quality and productivity; and

19 “(G) educate State policymakers on the
 20 benefits of locally driven community health im-
 21 provement councils that engage community
 22 stakeholders, including small businesses, local
 23 governments, faith leaders, civic leaders, and
 24 consumer advocacy representatives.

25 “(2) ELIGIBILITY.—

1 “(A) IN GENERAL.—To be eligible to re-
2 ceive a grant under this subsection, an entity
3 shall be—

4 “(i) a private nonprofit entity with a
5 governing board comprised of $\frac{1}{4}$ consumer,
6 faith, minority, nonprofit and charitable
7 organization, philanthropic, and civic lead-
8 ers; $\frac{1}{4}$ purchasers of care, including em-
9 ployers, unions, and insurers; $\frac{1}{4}$ local gov-
10 ernment officials, including mayors, county
11 commissioners, State legislators, and pub-
12 lic health officials; and $\frac{1}{4}$ private health
13 care leaders and experts; or

14 “(ii) a consortium of 2 or more of the
15 nonprofit entities described in clause (i).

16 “(B) PREFERENCES.—In awarding grants
17 under this section, the Secretary shall give pref-
18 erence to entities that—

19 “(i) demonstrate the capacity to at-
20 tract private sector or local government
21 funding to ensure fiscal sustainability;

22 “(ii) address significant health dis-
23 parities, including those identified by the
24 Secretary through other Federal programs;

1 “(iii) demonstrate coordination or col-
2 laboration across governmental and non-
3 governmental sectors;

4 “(iv) are committed to promoting full
5 transparency of all deliberations of the
6 Technical Assistance Centers and Commu-
7 nity Health Improvement Councils; and

8 “(v) are independent from government
9 and the financial self-interest of healthcare
10 and purchasers stakeholders.

11 “(3) ACTIVITIES.—Each Technical Assistance
12 Center established through a grant awarded under
13 this subsection shall—

14 “(A) establish up to 4 Community Health
15 Improvement Councils, as described in sub-
16 section (c);

17 “(B) provide technical assistance to such
18 councils, including community organizing, pub-
19 lic relations, communications, and public edu-
20 cation services, computer networking, grants
21 development, system performance monitoring,
22 opinion surveys, data management, community
23 meeting facilitation, and strategic planning;

24 “(C) partner with Federal, State, and local
25 health agencies, such as area health education

1 centers, the Agency for Healthcare Research
 2 and Quality, public health departments, and in-
 3 surance exchanges; and

4 “(D) deliver an annual performance report
 5 to the Secretary and the nonprofit entity receiv-
 6 ing the grant, containing data regarding im-
 7 provements in local and State health status,
 8 clinical outcomes, reductions in medical spend-
 9 ing growth, and health care disparities.

10 “(4) FUNDING.—

11 “(A) IN GENERAL.—Each Technical As-
 12 sistance Center established under a grant
 13 awarded under this subsection shall receive an
 14 award in an amount determined by the Sec-
 15 retary, but not to exceed \$1,500,000 per year
 16 for 3 years.

17 “(B) USE OF FUNDS.—Each such Tech-
 18 nical Assistance Center shall allocate 80 percent
 19 of the total amount awarded each year to the
 20 Community Health Improvement Councils es-
 21 tablished by such recipient under paragraph
 22 (3)(B).

23 “(c) COMMUNITY HEALTH IMPROVEMENT COUN-
 24 CILS.—In this section, ‘Community Health Improvement
 25 Council’ means a locally driven, private nonprofit entity

1 that serves as the neutral convener for engaging providers
2 and insurers, that fully engages patients and citizens in
3 coordinating and improving the health care delivery sys-
4 tem through community-wide education programs to pro-
5 mote healthier lifestyles, improve local or regional health
6 status, clinical outcomes, and reductions in the growth in
7 medical spending and health disparities through any of the
8 following approaches:

9 “(1) Promotion of wellness, prevention and ex-
10 panded public health and consumer education ef-
11 forts.

12 “(2) Enhancement of the care delivery experi-
13 ence through local health system infrastructure and
14 care redesign changes such as the primary care med-
15 ical home, accelerated information exchange imple-
16 mentation, community-wide chronic disease manage-
17 ment programs, and all-payer evidence-based clinical
18 protocols.

19 “(3) Alignment of provider and consumer finan-
20 cial incentives through accelerated payer experiments
21 with non-fee-for-service payment arrangements and
22 innovative consumer incentives built into the benefits
23 design of health plans.

24 “(4) Restructuring of local health care govern-
25 ance, such as—

1 “(A) formation of accountable care teams
2 across medical practices and institutions;

3 “(B) integration of primary care and pub-
4 lic health; and

5 “(C) integration of doctors and hospitals.

6 “(5) Track, document, and make publicly avail-
7 able, in a transparent manner, system performance
8 and improvement.

9 “(d) REPORT.—The Secretary shall submit to Con-
10 gress an annual report on the grant program under this
11 section, including both local and State progress toward im-
12 provement of health status, clinical outcomes, and reduc-
13 tions in the growth of medical spending.”.
